## The Garden of Eden – principles of God’s home

1. There was a continual, abundant supply of \_\_\_\_\_ (2:6, 10)
2. It was a place to find \_\_\_\_\_ (2:15 – “put”)
3. It was a place where \_\_\_\_\_ was expected (2:15)
4. God desired \_\_\_\_\_ within it (2:9, 16, 3:2)
5. From there \_\_\_\_\_ spread to the world (2:10-14)
6. There were designated \_\_\_\_\_ assigned and expected (2:15, 19)
7. \_\_\_\_\_ dwelled within it because His principles were kept (3:8)
8. \_\_\_\_\_ was not allowed in, and removed when needed (3:24)
